

# **Nisqually Community Climate Adaptation Workshop**

## **Monday, December 12, 2016**

**Topic:** Presentations about climate change science, and discussions about resiliency in the face of climate change.

**Description:** This workshop will include 3 presentations about climate change science, and will be followed by small break-out group discussions that considers the question: What makes Native North American communities more resilient to the impacts of climate change?

**Who should attend:** Nisqually tribal community members who want to learn about climate change.

**Location:** Nisqually Indian Tribe, Billy Frank Jr Community Services Building, 4820 She-Nah-Num Drive SE, Olympia, WA 98513, Building #2

**Cost:** Free

### **Schedule:**

- 9:00-9:30am: Opening Water Ceremony
- 9:30-10:30am: An Introduction to Climate Change Science by Clarita Lefthand-Begay
- 10:30–11:00am: Local Examples of Adaptation Strategies by Maggie Sanders
- 11:00-11:30am: NWIFC and Treaty Rights by Willy Frank Jr.
- 11:30-11:45am: Break
- 11:45-1:15pm: Working lunch and small groups discussion about: What makes Native North American communities more resilient to the impacts of climate change?
